

WUT Doctoral Schools Admissions for the 2020/2021 Fall semester

In order to take part in the recruitment process to the WUT Doctoral Schools for the 2020/2021 Fall semester, including the interview, it is obligatory to register in the IRK system and submit the following documents:

1. Application to a chosen Doctoral School // available in the IRK system
2. Master's degree diploma or other document confirming obtaining a Master's degree. Temporarily, it is acceptable to submit a Master's degree completion certificate issued by the Students Registration Office (Dział Ewidencji Studentów) or by the Dean's Office.
3. Diploma supplement (or an equivalent document) or a Master's degree studies result certificate issued by the Students Registration Office (Dział Ewidencji Studentów) or by the Dean's Office
4. CV
5. Cover letter
6. List of achievements which confirm the aptitude for research work (list of publications and conference presentations, participation in research projects, involvement in students research groups, awards, etc.)
7. Personal data form // available in the IRK system
8. Doctoral studies declaration // available in the IRK system
9. Employment declaration // available in the IRK system
10. Personal data processing consent // available in the IRK system
11. Confirmation of the registration fee payment of PLN 150 made by bank transfer to the individual account generated by the online registration system

PLEASE NOTE: Online registration and the registration fee concern admission to a particular Doctoral School. In case of applying for admission to another Doctoral School, it is necessary to register again and pay a separate registration fee.

All documents have to be uploaded to the IRK system, hard copies will have to be submitted to PhD. Students Office on the date specified later.

In case of any problems with the IRK system, send an e-mail to dod@pw.edu.pl (PhD. Students Office - Dział Obsługi Doktorantów) and 5999@pw.edu.pl (WUT Informatization Centre - Centrum Informatyzacji). Attach a screenshot of the issue to help us resolve it.
