Rector's Regulation No. 100 /2020

of 29 September 2020

on the rules on the verification of achieving learning outcomes for first-cycle and second-cycle studies and long-cycle master's studies in remote learning

Under article 23 section 1, pursuant to article 76a section 1 of the Law on Higher Education and Science of 20 July 2018 (Journal of Laws of 2020, item 85, including amendments), it is resolved as follows:

§ 1

1. The selection of a verification method of achieving learning outcomes in remote learning for first-cycle and second-cycle studies, and long-cycle master's studies shall depend upon the learning outcomes for a particular course and shall be an autonomous decision of the Head of the course.
2. In the case of verification of achieving learning outcomes in remote learning, the information about the verification method shall be included in the rules and regulations of the courses drawn up by the Heads of courses.
3. Deadlines for verification of achieving learning outcomes in remote learning must comply with the academic year timetable.
4. To ensure a reliable verification process of achieving learning outcomes in remote learning, the student is obliged to attach a Declaration of his/her own work to every assignment required for the recognition of achieving learning outcomes, further referred to as Declaration, the content of which is specified in the Appendix to the Regulation.
5. In the case of verification of achieving learning outcomes in remote learning with an electronic form, the Declaration shall be included in the form and completed by the student.
6. Assessment of work, which is the basis for recognition of achieving learning outcomes and is submitted remotely, shall require attaching a Declaration signed by the student to the electronic copy of the assignment or completing the Declaration included in the electronic form of the assignment.
7. Verification of achieving learning outcomes shall be obligatory for all courses in the student's curriculum in a given semester, completed alternatively via methods and techniques of remote learning, and the achieved outcomes are graded in compliance with the Academic Regulations of the Warsaw University of Technology.

§ 2

The WUT Rector's Regulation No. 27 /2020 of 4 May 2020 r. on the rules on the verification of achieving learning outcomes for first-cycle and second-cycle studies and long-cycle master's studies in remote learning in connection with preventing, counteracting and combatting COVID-19 shall expire.

§ 3

The Regulation enters into force on 1 October 2020.
